

A Message from Our Co-Chairs

It is with great enthusiasm, commitment, and optimism for the future that we embark on the St. Peter’s Mission Campaign, *Faith in Our Future!* St. Peter’s is our spiritual home, and we are called to worship and learn together, inspired by the outreach and benevolence St. Peter’s spreads, both near and far. At the same time, we pray to be nourished by the words of the Holy Spirit that deepen our relationship with Christ and one another. We see a bright future in which St. Peter’s enhances our worship experience, supports our neighbors, and addresses our needs related to how we teach and model our faith. Through this Mission Campaign, we will address property needs, including safety and security, the enhancement and expansion of our ministries, decreasing our mortgage loan principal, as well as the establishment of a fund to support St. Peter’s mission work in our local community and across the globe. We ask you to join us in blessing St. Peter’s with your prayers and treasures. We look forward to continuing to serve our church family and our community, while we witness your generosity unlock the potential that exists within St. Peter’s. Suffice it to say, we have the utmost *Faith in Our Future!*

## Mission & Ministry

### Purchase Cargo Van

Ministries such as Community Meals and Lydia's Closet go beyond our walls to directly help those in need in our community.

### Refurnish Narthex

Our Narthex is the community center of our church. It is where we greet one another, have fellowship, and hold groups.

### Additional Mortgage Payments

Every dollar towards paying down this debt will lower our monthly payments, freeing up funds for ministry, not mortgage.
